

### Juliven Bayogo

BS Architecture | Cebu Institute of Technology

That's what we are, always adapting in order to get good chances of career in life. For us architects we are always adopting new styles and new technologies to make our design convincible and productive.

### Jeffrey Eduaba

BS Computer Engineering | Cebu Institute of Technology

“ When people hurt you, think of them as sand paper. They may rub and scratch you painfully but eventually, you will end up smoothed and polished while they end up worn out ”

### Mary Grace Estrada

BS Hotel & Restaurant Management | University of Cebu

As an individual and at the same time a student, I'm very aware of the different events that are happening in my life. It made me open minded and a strong person to face and accept all the challenges and obstacles that may come in my life”

### Joseph Getaruelas

BS Computer Engineering | University of Cebu

In life, we do not really know what waits us in the future. What we can do best is to choose those things that we think could give us a good living.

### Ramoncito Lim Jr.

BS Business Administration - Legal Management | University of San Carlos

Hypothetically speaking, there are people who see life like a full of grief one. They thought it was all as if living in a den of melancholy and dreary.
