Success is not a matter of chance; it's a matter of choice as what they say. We are the ones responsible for it. Determination, courage and acceptance are key to success. If we have this, greater chance to be successful.

Aldrin Mirambel

BS Information Technology | Cebu Institute of Technology
No person in this world has no problem, no matter what how lucky, because problems are part of our life in order for us to become strong. Like for my part, I have so many problems but these problems of mine help me and encourage me, to be persistent and reach my dreams.
